- From a tiny experimental crop of five foals, one of which died in a training mishap, Group winning French sire Used To Me has been astounding.
- Three of those foals have since started as 2YOs, two are trial winners and one has raced at group level, having placed five times already.
- In France, the story is similar, three winners (two as 2YOs) and 11 qualifiers from his small crop of 24 before being exported to Australia.
- He stamps his foals with his perfect conformation, and they all just want to trot from day one.

BREEDING HINTS:

Quiet temperament should suit bigger Sundon and Majestic Son, Angus Hall mares, and ideal for mares by Pegasus Spur, Crazyed, Barcardi Lindy, Britewell, Continentalman, CR Commando etc especially those that carry Speedy Crown maternally.
